Orenco® Riser & Lid

Access Risers

18-, 24-, and 30-in. Diameters

Risers provide access to septic tank openings and can be bonded in place, or bolted down using a riser tank adapter. Constructed of ribbed PVC pipe and available in two styles, Ultra-Rib and Perma-Loc. Ultra-Rib is available in 18- and 24-in. diameter. Perma-Loc is available in 30-in. diameter. Standard risers are offered in 12-in. height increments up to 96-in., while custom risers can be ordered in smaller height increments up to 13 ft.

Lids

18-, 24-, and 30-in. Diameters

Orenco fiberglass lids provide a secure watertight covering for access risers and are capable of supporting a 2500-lb wheel load. Comes standard with stainless steel Allen head bolts. Available insulated (2-in. or 4-in.) or non-insulated.
